**"Always elegantly original"** Tony Rushton, Private Eye

**"A little minimalist master"** Martin Rowson

**"I love this man's stuff"** Lynne Truss

"Pearsall's First Drafts series makes a brilliant mockery of the portentousness with which writers regard the labour of creation - a collection of them should be handed out to all creative writing students at the beginning of their course." Will Self

**"After the Leonardo Cartoon, the best laugh in the business"** Nigel Rees

Some of Simon's work will also be displayed in "Private Eye - The First 50 years" at the V&A 18th October 2011- 8th January 2012
